Special edition - planning variation submitted for Transwaste Ltd

Dear Resident

We are writing to inform you of a variation to a planning condition that has been submitted with the following description:

Variation of condition 26 (opening hours of the site for operations sales and deliveries) of planning permission 05/06302/STPLF - Construction of a waste transfer facility including new office, stores, waste sorting buildings, hardstanding areas and planted bund | Transwaste Recycling And Aggregates Limited Gibson Lane South Melton East Riding Of Yorkshire HU14 3HH

Reference number **18/02749/STVAR**

The application is to vary the hours of operation within the site so that waste can be processed 24 hours a day, 7 days a week.

It does not affect the times that deliveries can be made to the site - they will remain the same as at present.

The application will be discussed by North Ferriby Parish Council at its meeting on Thursday 13th September, 7pm, in North Ferriby Village Hall.

If you have concerns about the proposal for 24 hour working it is important that you let the Parish Council know as well as ERYC. You can either contact the Clerk by email clerk@nfpccouncil.karoo.co.uk, or write to her, Jo Haslope, 22 The Triangle, North Ferriby, HU14 3AT. Or you may attend the meeting and address the Parish Council in person.

Have your say:
